Greatness is never a given. It must be earned.

Challenges

They will be met

Our common humanity shall reveal itself

Our patchwork heritage is our strength

New era of responsibility

Price and promise of citizenship

Spirit of service

Our language, culture, drawn from every end of this earth

Hard work, courage, fair play, tolerance, curiosity, patriotism

Generations of Americans, our capacity remains undiminished

They saw America as bigger than the sum of our individual ambitions

Prosperity & freedom

Making America

Work to be done

Imagination = common purpose = necessity to courage

Long, rugged path

A friend of each Nation

Gathering clouds & raging storms

The midst of crisis

Serious and many
